Continuation of 10. Other: With respect to applicant's request to withdraw the Final status of the previous office action, the examiner points out that applicant filed an RCE on 6/18/03 with an amendment. Subsequent to this filing, applicant received an action on the merits. Applicant filed another amendment in response the previous Office action. The applicant argues the claims do not raise "new issues" because they were amended to reflect the originally filed claims. Nevertheless, the amendment changed the focus of examination thus requiring a new search of the subject matter. Therefore, the finality of the Office action filed 2/12/03 was made proper.
